Vizulize Eye Wash

Uses

Cleanses and refreshes eyes. Soothes tired, irritated, sensitive and dry eyes.

Dosage

Rinse the eye bath with some eye wash before use. Fill the eye bath with some eye wash until about a third full. Bend head forward slightly and, holding eye bath by the base, place over the eye. Open the eye while slowly raising the head so the wash flows into it. Gently rock the head from side to side for at least 30 seconds. Tilt the head forward and remove the eye bath, discarding any remaining eye wash.
