

Nuromol 200mg/500mg Tablets

Uses

For the temporary relief of mild to moderate pain associated with migraine, headache, backache, period pain, dental pain, rheumatic and muscular pain, pain of non-serious arthritis, cold and flu symptoms, sore throat and fever. Especially suitable for pain which requires stronger analgesia than ibuprofen or paracetamol alone.

Dosage

Over 18 years: 1 tablet to be taken up to 3 times a day with water. If the one tablet dose does not control symptoms a maximum of 2 tablets may be taken. No more than 6 tablets in 24 hours. Under 18 years: not to be used.
